DCSW0009/1096/F Southwell Court Change of use predominantly for storage with small area for retail. Proposed to support by Councillor A Phillips, and carried unanimously by the Committee, under UDP-H8, Support for Rural Businesses.

DCSW0009/1030/0 Land to the rear of 13 Fairview, Garway. Change of use of agricultural land to form a standard football pitch, vehicular and pedestrian access and car park.

The Chairman formally closed the Council meeting to allow informal consultation with members of the public present to enable the Council to get a better informed view of the community. Discussion took place for approximately 35 minutes.

The Chairman then re-opened the formal Council Meeting and no members of the public took any further part in the discussions.

It was proposed by Councillor A Phillips that the application should not be supported because the size and details of the plans were incorrect for a full size football pitch; also it is believed that it would have had a detrimental affect on the adjoining neighbours due to noise. He also highlighted the loss of valuable agricultural land if this application were approved. It was carried unanimously by the Committee not to support this application for the above reasons.

The Chairman closed the meeting at 8.38p.m.
