

Good Morning,

On 6th July, offices were entered at a premises at Rotherwas a phone was taken and computers were tampered with. It is possible the offenders were disturbed as there were people working at the site at the time.

Sometime between 18:00 10th July and 16:00 11th July a quad bike was stolen from a farm in Pontrilas. The quad had a reg plate VX55\*\*\*. If you have any sightings of this quad please call your LPT asap.

Sometime between the 10th and 12th July a parked car had fuel stolen from his tank in Kingstone. With the price of fuel being so high please keep an eye on your fuel levels and if you see anyone acting suspiciously around vehicles please report it asap.

We have received reports of people calling to offer security products and security checks. We would strongly advise that if you are considering having some security devices installed that you do your own research and find a company yourselves. Always get more than one quote to make sure you are getting yourselves a fair price. If you would like any security advice from you LPT then please let us know.

We have our CSO Mobile phone back with us so you can now contact us again on 07779141232.

Thanks for taking the time to read this.

Thanks

Kevin
