

Fight the closure plans

Sign the petition On the Downing Street Website

[http://petitions. pm.gov.uk/Herefordshire/](http://petitions.pm.gov.uk/Herefordshire/)

**To sign the petition, you will need to give your name, address and email on the form provided.
(This is not made public).**

Once you have signed the petition, you will receive an email asking you to confirm that you wish to add your name to the petition by clicking a link.

When you have done this, your name will be added to the petition.

If you don't see the email, check your junk or spam box – for some strange reason one or two email providers decide that email from the Government is spam!

Then get everyone in your address book to sign up and pass this information on too.
