Dear Parent or Carer

In light of recent events and the prospect of school closures at some time in the future, we feel it is important to raise the profile of Garway School – to draw attention to all the positive things we have to offer, our very special school “culture” and ethos.

In order to do this we may need to use (un-named) photographs of the school children in various publications and / or websites such as the Herefordshire Times.

If you do NOT wish your child’s /children’s image(s) to be used in this way, COMPLETE THE ATTACHED DISCLAIMER AND RETURN IT TO SCHOOL before 31 March 2008 otherwise we will assume your consent has been given.

Finally, may I also take this opportunity to remind you all of the petition against school closures on the Downing Street website: <http://petitions.pm.gov.uk/herefordshire/>. Please sign if you can and encourage family and friends to do so as well. Details of the petition will also be available on the school website: [www.garwayschool.hk.org](http://www.garwayschool.hk.org) and the Garway Community web site: [www.garway.org.uk](http://www.garway.org.uk)

Thank you for your co-operation.

Karen James
